---

This overhead transparency book contains one new geography transparency for each chapter in *The Americans*. The transparencies can be used to support class discussion. There are a total of 48 transparencies including

- 34 geography transparencies
- 4 base maps with 10 overlays

Accompanying this transparency book is a User's Guide that contains

- correlation charts showing when to use each transparency
- background information and teaching strategies for each of the transparencies

The Annotated Teacher's Edition also contains references for each transparency in the Planning Guide for each chapter and at point-of-use in the lesson plan.
